

Discover How to Protect Your Legacy

Please join us as we host Sechler Law Firm to discuss the “Secrets to Protecting Your Legacy.”

Tim Sechler

Certified Elder Law Attorney
at Sechler Law Firm

Our friends at Sechler Law will walk us through several best practices to ensure you are protected and prepared for any challenges that you may encounter.

The Funeral Directors from Devlin's will be available to answer funeral related planning questions following the presentation, and a light refreshments will be served.

Don't let the unexpected impact everything you've worked for. Become educated.

We look forward to hosting you!
